#### MAYOR DUNN'S REPORT

Shows That City Spent Less the Past with the proposition to supply ice to ing school.

2h, 1913, was made public Saturday. It shows the financial condition of the and Valley streets, and on Main street Canton and Chester. for the previous year, while the net liabilities of the city have been reduced from \$132,764.07 to \$113,932.22. The sinking fund of the city at present amounts to \$37,500, and next October when water bonds for \$50,000 will become due and payable, this fund will

The number of arc lights have been reduced from 119 to 100, and the number of incandescent lights increased from \$10,008.60 to \$8,395.15. The mayor therefore recommends the installation of incandescent lights in the future, and in this connection the enforcement of the provisions of the city's contract with the Willimantic Gas and Electric Light company in regard to the eliminaffon of unsightly poles.
